In closing...

What a wonderful opportunity it is to give others what they have given us for over 25 years: SOMEPLACE TO COMPETE!! Wednesday, I asked Mr. Carpenter if indeed this was the first time DUBLIN HS hosted such an event and he did say as far as he knows ... this is the first time. To host between 2,000 - 4,000 people is quite an undertaking. Thank you to the 15 parents who are on the "Steering Committee." Thank you to the Foothill High School Band Review Committee who allowed us to be at three of their meetings. Thank you to all the volunteers!!! Along with family members, there are city volunteers, alumni, athletic parents, non-band parents!! There are close to 80 people helping with this day. I am very grateful that parents have done their best to allow the students to 'enjoy' their day!!

I hope we will have a wonderful day and help many other's feel the DUBLIN SPIRIT that many of us cherish.

Agape,
Mr. Everts
