

DHS Music Program

2017-18 Registration www.dhsirishguard.org
Mandatory Form For All Students

DHS Parents and Music Students:

We believe participation in school activities is an integral part of the overall educational experience for our students. Teamwork, communication, responsibility, discipline, accountability, and goal setting are a few of the many skills our students learn through their involvement in organized music programs.

Music programs in DUSD cannot function without your support. **High schools receive minimal district funds, of approximately \$1,200 annually. This school year the budget for the music program is \$180,000.** Without your generous donations, music offerings at DHS would be greatly reduced. **Our program costs much less than many families already pay for outside music programs** and we appreciate your help in keeping our programs running at their current level.

Donations are used to cover the major operating costs of our music budget including:

- Music • Instructors • Transportation**
- Uniforms • Competition Fees**
- Equipment • Repairs**

We respectfully ask you **make the suggested donation** or any donation you are able to make. This will ensure all students will have the opportunity to develop as both musicians and young adults benefiting from the **unique experiences** found only in high school music programs.

On behalf of the students, staff and directors, we would like to take this opportunity to **thank you for your continued support of the DHS Music Programs.**

Sincerely,
 2017-2018 DHS Music Boosters
 Executive Board Members

Please download additional forms for multiple students.
